

Kinetic Solutions International, Inc. is an award winning electro mechanical automation representative focused on the OEM market.

Bishop Wisecarver

Linear Roller Track Systems, Curved Roller Track Systems, Actuators

ElectroCraft

Drives, BLDC, Linear Actuator, PMDC, Steppers, Gearmotors, Housed AC, C-Frame AC

Exlar Corporation

Servo Linear Actuators, Servo Motors, Gear Motors, Controllers

Helical

Flexible Shaft Couplings, Torsional and Compression Machined Springs

KB Electronics

AC Drives to 5HP, DC Drives to 5HP

Nippon Pulse

Linear Servo Motors, Linear Stepper Motors, Stages

Pepperl + Fuchs

Inductive, Capacitive, Ultrasonic, Sensors, RFID

Thompson BSA

Ball screws, Leadscrews, Anti-backlash Nuts, Linear Rails

Trust Automation

Linear Servo Amplifiers, Motion Controllers

WEG Automation

Variable Frequency Drives, Soft Starters, Controls, Breakers, Pilot Devices

USAutomation

Linear Positioning, Intelligent Motors, Brushless Motors, Step Motors, Step Motor Drive
